

Riyaz Sumar, MD, FSCAI, FACC, a Cardiologist with Integrated Medical Services

Get to know Cardiologist Dr. Riyaz Sumar, who serves patients in Avondale, Arizona.

New York, New York City, Oct 5, 2021 (Issuewire.com) - Specializing in interventional cardiology and endovascular medicine, Dr. Sumar serves as Chairman of the Department of Cardiology for Integrated Medical Services in Avondale, Arizona.

The physicians at Integrated Medical Services (IMS) strive for the highest quality care for every patient

by utilizing the extensive knowledge provided within the group. As health care continues to evolve, IMS is committed to finding new and better ways to provide exceptional personalized care. With their combined clinical expertise and use of advanced technology, IMS physicians at their Arizona-based medical specialty centers, are uniquely positioned to meet their patients' current and future quality expectations. With several specialties, they provide the best comprehensive care across the full spectrum of health.

Born and raised in Bombay, India, Dr. Sumar earned his medical degree from the Krishna Institute of Medical Sciences. Upon completion, he moved to the United States to pursue his childhood dream of becoming a cardiologist. While in New Jersey, he completed his residency in internal medicine at Newark Beth Israel Hospital, followed by a fellowship in cardiology and interventional cardiology at Seton Hall University.

A Fellow of both the Society for Cardiovascular Angiography Interventions (FSCAI) and the American College of Cardiology (FACC), the doctor is board-certified in interventional cardiology and cardiovascular disease by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In his professional experience, Dr. Sumar currently serves as Chairman of the Cardiology Committee at West Valley Hospital in Goodyear where he is also the Cardiac Cath Lab Medical Director and on the Physician Leadership Council.

Cardiology is a branch of medicine that deals with disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).

Among his most notable achievements, Dr. Sumar has been the recipient of the Patients' Choice Award (2015, 2014), Compassionate Doctor Recognition (2015), and Top 10 Doctor - Metro Area (2014).

In addition to English, he is fluent in Hindi and Chinese.
