

Exeleon Magazine Features Charles Meitus of LUCID SOLAR as the Cover of its Trailblazing Leaders Issue

Charles Meitus, CEO and Founder of LUCID SOLAR, was recognized by Exeleon Magazine as the Cover Story of its latest Trailblazing Leaders issue.

Middletown, Delaware Nov 10, 2021 (IssueWire.com) - Exeleon, a leading business magazine in the US, has released its all-new issue centered around some of the most Trailblazing Leaders of the Year.

The issue comprises a comprehensive look at a list of accomplished leaders, who are leveraging their trailblazing leadership to bring about new ideas and changes to their respective industries.

Featuring as the Cover of this issue is Charles Meitus, the Founder and Chief Executive Officer of LUCID SOLAR, an innovative provider of renewable energy equipment and systems. Charles' vision is to carve a new path in the energy space with his leadership.

Established in 2013, LUCID SOLAR is a one-stop source solar equipment supplier, offering high-quality, high-efficiency film modules, with the most competitive pricing and valuable solutions in the solar market. The company has a variety of choices for the customers with state-of-the-art technologies, competitive price points, and excellent customer service.

The Company also supplies some of the world's best-known, full-line high-end solar products, from panels and inverters to mounting and accessories because of the relationships with the suppliers.

Talking about his Cover Feature, Charles mentions, "I feel honored to be profiled by Exeleon Magazine.

Exeleon allowed me to express our mission to provide and supply some of the world's best known, full line high-end solar modules, and make it affordable for everyone in the US."

Daryl Yeung, the Editor-in-Chief of Exeleon Magazine, mentioned "Charles Meitus is leading the new dawn in the solar energy sector. His story is one that will enable more leaders and entrepreneurs to turn towards sustainable business models."

The issue also features notable industry leaders like Amy Buynoski, Aleksandr Yampolskiy, Tiffany Grandchamp, and Larry Hightower, among others.
