

Gary W. Oliver, MD, a Dermatologist with San Francisco Dermatopathology Institute

Get to know Dermatologist Dr. Gary W. Oliver, who serves patients in Daly City, California

New York, New York City, Nov 2, 2021 ([IssueWire.com](http://www.IssueWire.com)) - A respected dermatologist, Dr. Oliver specializes in acne, basic dermatology, mole removal, skin tag removal, wart removal (all areas of the body), skin check-ups, rosacea, wrinkle prevention, and retin-a, eyelash growth, and Latisse, minor skin cancers on the body.

At present, he offers his services at the San Francisco Dermatopathology Institute in Daly City, California. He is also an expert consultant in microscopic dermatopathology for other doctors and dermatologists in many different states over many years.

A graduate of Albert Einstein College of Medicine, Dr. Oliver went on to perform his residency at the National Cancer Institute. He followed this up with a fellowship at New York University.

With an unwavering commitment to his specialty, he is board-certified in pathology and dermatopathology by the American Board of Pathology, and in dermatology by the American Board of Dermatology.

Dermatology is the branch of medicine dealing with the skin, nails, hair, and its diseases. It is a specialty with both medical and surgical aspects. A dermatologist treats diseases, in the widest sense, as well as some cosmetic problems of the skin, scalp, hair, and nails.
