Earn GrabRewards points only with GrabPay

Only GrabPay earns you GrabRewards points for your transactions.

**GrabPay Philippines**

**Now Available For ALTPAYNET Clients!**

**Philippines, Metropolitan Manila Area, Nov 2, 2021 ([Issuewire.com](https://www.issuewire.com))** - AltPayNet, a global digital payments solutions provider, is now offering GrabPay as its latest payment gateway solution to partners in the Philippines.

GrabPay is the mobile wallet of Grab, Southeast Asia's leading superapp, and enables users to make

seamless, secure, and rewarding payments for Grab services such as GrabCard, GrabFood, and GrabDelivery, as well as for online and in-store transactions.

As published on its website, AltPayNet.com, the company has strategically pursued payment option partnerships since its inception in 2015. In the report, AltPayNet co-founder and CEO Mr. Don Vacal says, "the company commits to meet the demand of the ever-changing consumer behavior by offering multi-solutions to merchants and payment providers."

### How Can One Become An AltPayNet Partner?

AltPayNet offers simple, quick processes on how to become a partner.

1. Send your inquiry directly at: [inquiry@altpaynet.com](mailto:inquiry@altpaynet.com).
2. In the AltPayNet webpage - <https://altpaynet.com/pre-screening>, kindly provide the following business/company information:

- Representative Name
- Designation
- Contact Number
- Email Address
- Country (where a company is registered)

After submitting, an AltPayNet Onboarding representative will evaluate and validate the inquiry/application. Then, they will get back to you immediately for further instructions and recommendations.

Once approved, it will activate the preferred payment acceptance channel.

### About AltPayNet

Primarily, AltPayNet offers white-label mobile and web applications suite to assist operation and online payment collection for different sectors and business units.

AltPayNet is also a PCI-DSS-Certified Software-as-a-Service (SaaS) corporation.
