

John W. Finnie, MD, a Hematologist-Oncologist with Mercy Clinic Oncology and Hematology - David C. Pratt Cancer Center

Get to know Hematologist-Oncologist Dr. John W. Finnie, who serves patients in St. Louis, Missouri.

New York City, New York Nov 3, 2021 ([IssueWire.com](https://www.issuewire.com)) - A board-certified hematologist-oncologist, Dr. Finnie practices at Mercy Clinic Oncology and Hematology - David C. Pratt Cancer Center in St. Louis, Missouri. He provides care for patients with all cancer diagnoses, with bleeding disorders, anemia, and with "hypercoagulable states" which means the tendency for excessive blood clot development.

The Mercy Clinic Oncology and Hematology at the David C. Pratt Cancer Center is committed to patients and their fight against cancer. Their goal is to make this journey as fast and successful as they know-how. Patients will benefit from their rapid, ongoing advances in the diagnosis and treatment of cancer.

Pertaining to his educational pursuits, Dr. Finnie earned his medical degree and completed his residency in internal medicine at Saint Louis University. He then went on to complete his fellowship in oncology at the University of Kentucky - Albert B. Chandler Hospital.

Dedicated to clinical excellence, the doctor is board-certified in hematology, medical oncology, and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for

better care in a rapidly changing world.

Holding a license to practice medicine in Missouri, Dr. Finnie can be found on staff at Mercy Hospital St. Louis, and Mercy Hospital Washington.

Hematology is the branch of medicine concerned with the study of the cause, prognosis, treatment, and prevention of diseases related to blood. Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A hematologist-oncologist is a physician who specializes in the diagnosis, treatment, or prevention of cancer, malignant blood diseases such as leukemia, lymphoma, and multiple myeloma, and blood disorders such as iron-deficiency anemia, clotting abnormalities, hemophilia, and sickle-cell disease.

Recognized as a Top Doctor by Castle Connolly Magazine, Dr. Finnie has been the recipient of the Top Doctor Award by Missouri Life Magazine in 2021.

On a more personal note, he is fluent in both English and German.
