

Kellie Kel is planning a major comeback

Kellie Kel the music artist versus Kellie Kel the author

Fort Worth, Texas Nov 14, 2021 (IssueWire.com) - Kellie Kel has multiple elevator pitches. She's a lyricist, singer, songwriter, actress, model, entrepreneur. Now we can add the word author to her list of accomplishments. With a new book, a new single and she's planning a UK tour for next summer 2022. Kellie plans to have us covered for your listening pleasure and reading pleasure. As a talented actress who has received the seal of approval from the late actor, Tiny Lister Jr. we are not surprised about her growth. Kellie Kel will star in the upcoming movie "In da Mia "directed by Marc Caye, in the leading role as Alicia. Her latest addition to her milestone of accomplishments will be her book called the "Witness Statement". That's right we are speaking it into existence because her book definitely sounds like it will be a best seller. She also has plans to turn it into a film series.

We had the chance to catch up with Kellie Kel, and discuss the overview of her book and we can't wait for it. The overview will have you at the edge of your seat, to the point where you have a clear visual in your head just from the brief description. As a reader, the visual becomes a film in your mind. You can picture the scene which is being described in your mind. If you don't believe us, check this out. The book is actually a novel about a dancer named Kari who meets the love of her life (Jay) in the strip club.

Jay is a hustler that is being targeted by a cop he had previous issues with. Kari is also dating that cop! You know just from this, you are going to have some drama, with this love triangle. Then to add to this pot of stew Jay is married with a baby on the way., However, Kari doesn't find out until she realizes that she is pregnant. More drama to the story. Is your world turning yet? We can see a film series already? Can't you? Then to add some spice, to this stew it turns out that Kari has also been sneaking around with Jay's best friend and his girl. Now, just when you thought you added the meat and potatoes to the stew, Kellie Kel tells us Jay's best friend's girl happens to be the sister of Jay's wife Keke.

The drama doesn't stop there. It unfolds when Kari finds out that her new friend Keke is actually Jay's wife. It gets even more dangerous when the cop finds out that Kari is dealing with Jay. Keke's cover is blown when she finds out Kari is pregnant! Everyone has a choice to make but no one wants to lose. Someone has to die in the end but who pulled the trigger? Are you at the edge of your seat yet? Because we are ready to see it on the big screen. So, when it comes to the viewers eyes and capturing the minds of the readers, Kellie's got you covered.

It doesn't stop there. Also, coming to you in 2021, she'll have a new single for everyone to download and stream for your listening pleasure. Kellie shared the mp3 with us, and we absolutely love her new single. The name of the single is called "The Truth" which is written and performed by Kellie Kel and produced by ChillzBeatz

The Truth is something that we wish everyone would tell when they choose to open up about something personal. Deep discussions can often give you an in-depth look at a person or situation. The multi-talented artist has accomplished this personal journey with the listeners by letting us into her world not to just hear her struggles. She also paints you a vivid picture to see her struggles as you listen to the lyrics in the song.

This is how we felt when listening to Kellie Kel's new single "The Truth. It takes you on a journey inside of her life allowing the listeners to hear what she has faced in order to find herself. So, if you didn't know her personally, you will get to know her through her music. Listeners will have a front-row seat to the

battle as she fights with herself on a daily basis. The Kellie Kel vs Kellie Kel battle is a fight that has led her to hustle. The hustle is so relentless to the point it makes you want to go back and follow her journey to see where she started and how far she has come. Now, look at where she is today. Like we stated her elevator pitch allows us to keep on adding titles. This is because she keeps on going up the ladder of success. The hook in her song will help you understand why she has isolated herself from negative energy in order to reinvent the woman she desires to be.

We think Kellie Kel is on her own way, and the audience is going to love her come back on a major day. Her existing fans, and she'll also gain a new wave of fans. They will also have her second album "Emancipated", which plans on re-releasing on Jan 24, 2022. Be sure to keep up with all of the news on a woman is on the move.
