

Kimberly P. Barnaby, DO, MS, a Family Physician with MD365

Get to know Family Physician Dr. Kimberly P. Barnaby, who serves patients throughout the State of New York.

New York, New York City, Nov 2, 2021 ([IssueWire.com](https://www.issuewire.com)) - A board-certified family physician, Dr. Barnaby is affiliated with MD365, seeing patients at their offices in Shirley, Yonkers, Oakdale, and Lake Ronkonkoma, New York. She can also be found on staff at St. Catherine of Siena Medical Center, and Long Island Community Hospital.

Founded in 2019, MD365's mission is to achieve affordable excellence in healthcare. Their physician leadership has several decades of experience practicing in multiple disciplines of medicine. They also have knowledge of various healthcare delivery models from various continents including Asia, Europe, and North America. Such knowledge and experiences help them allocate resources and implement best practices to drive our mission towards affordable excellence.

In regards to her educational background, Dr. Barnaby holds a Bachelor of Science degree in Psychology and Biology from Stony Brook University. She graduated with her Doctor of Osteopathic Medicine degree and Master of Science degree (MS) from the Touro College of Osteopathic Medicine. She then completed her residency in family medicine and the Long Island Community Hospital.

With an unwavering commitment to her specialty, the doctor is board-certified in family medicine by the American Osteopathic Board of Family Physicians (AOBFP). The AOBFP is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
