Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Throughout his illustrious career, Dr. Torrelli has been the recipient of various accolades, including the Patients' Choice Award (2018), and Compassionate Doctor Recognition (2018).
