Get to know Chiropractor Dr. Richard S. Feher, who serves patients in Victoria, Texas.

New York City, New York Nov 30, 2021 (Issuewire.com) - Dr. Feher is a committed chiropractic physician serving patients at his private practice in Victoria, Texas.

In regards to his educational background, he completed his Doctor of Chiropractic degree from the Palmer College of Chiropractic in 1993 and obtained Chiropractic Certification in Spinal Trauma by the International Chiropractors Association.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.
