Business Connect has a circulation of about 90,000 in India and overseas countries, and the readership is approximately 9 Lac to 9 million (Approx). They mainly work on connecting senior executives, managers, directors and entrepreneurs, VCs, and Management Students throughout the globe with a mission to have the highest readership figures of senior-level executives and investors in India.

With the coordination of the editorial team and data analyst team, they go into the depth of the theme of each edition and find some new names. The name of the organizations completely depends on the research of the editorial team based on the basis of their uniqueness in the terms of innovation and differentiating factors.

The data analyst team of Business Connect consists of highly educated and minded people. Their team

continuously studies corporate sectors and keeps a look at various industries.

In Nov - Dec, 2021, Business Connect came up with this edition of the magazine to spotlight the corporations that are scaling greater heights in the most sophisticated manner where Incrementors has held a top spot as the [fastest growing digital marketing company](#).

This edition covers top-to-toe information on how these corporations have implemented innovations and achieved some major success in the digital world.

The organization that happens to be at the top of the list is Incrementors, founded by Shiv Gupta.

Incrementors have grown tremendously in the past couple of years. Incrementors work with a lot of small and medium-sized businesses majorly from the US & Canada to help them in generating more traffic, leads, and sales. Their major client base is from Search Engine Optimization (SEO), PPC, Email Automation, and other online marketing services. Their Specialization is providing customized, tailored solutions based upon the needs of customers.

They are working their heart out to provide customized and specific solutions to the need of clients. But it does not end here. Incrementors has a lot more services which are benefitting the clients since 2012.

Shiv Gupta says, “As compared to other digital marketing agencies, Incrementors do more than just doing SEO and Marketing. We partner with clients by giving them training, coaching, and videos to grow their business in every aspect.”

Incrementors has worked with numerous clients in various niches across the globe. They carefully observe their clients’ feedback and work accordingly.

They thoroughly understand the value of feedback and take it as a key element for the company to find customers’ psychographics.

With Incrementors, you don’t need to be worried about sales and lead generation. They can perfectly handle that and you can completely trust them.
