CassCo's White Label Beauty Products For Body

CassCo Bio Labs is known for producing premium quality private label beauty products for hair, face, and body. The formulations utilize naturally-derived ingredients, pharmaceutical-grade ingredients, clinically proven ingredients, super fruits, natural botanicals, and natural essential oils.

Here are some of the most popular White Label Beauty Products for the body

2-in-1 Body Wash & Scrub

This natural-based refreshing body scrub gently cleans clogged pores and exfoliates dead skin cells. It contains a super-fruit base and provides moisture and nourishes while deeply cleansing the skin.

01

Body Butter

This natural super-fruit-based, intensive body moisturizer will restore softness, hydration, and elasticity to your skin. This deep-cleansing body butter stimulates and relaunches skin metabolism and supports collagen synthesis.

02

Body Oil Spray

This natural-based body oil spray is enriched with essential oils and works to protect and deeply nourish your skin, leaving it smooth and silky.

03

Hand Cream

This natural-based, anti-aging hand cream decreases the appearance of fine lines and wrinkles. It contains a 24-hour moisture lock and has been formulated to restore softness and smoothness to dry hands.

04

Foot Cream

This natural-based deep intensive care foot treatment stimulates circulation and collagen renewal.

05

Mineral Body Scrub

This natural-based mineral body scrub is filled with fruit antioxidants, natural botanical oils, plant extract, and dead sea salts. It is formulated to exfoliate, nourish and soften your skin.
