Get to know Dentist Dr. Chloe Susanna Bittner, who serves patients in San Jose, California.

New York City, New York Dec 14, 2021 ([IssueWire.com](https://www.issuewire.com)) - A third-generation dentist, Dr. Bittner sees patients at Bittner Family Dental Group in San Jose, California. She understands that meeting the needs of her patients comes first. Her approach to dentistry ensures that all patients leave with a feeling of complete care and confidence. She is a true “Smile Defender” and loves working with patients of all ages.

Bittner Family Dental Group is a San Jose-based family dentist practice that treats patients of all ages. They are committed to delivering the highest quality dental care and do so using advanced dental equipment. They are a cosmetic dentist that offers services like checkups, teeth cleaning, crowns, veneers, and more. They also perform emergency dentist services that include bonding, root canals, crowns, and bridges. As local dentists, they create lifelong relationships with patients and their families and work to ensure that they receive treatments in a comfortable and relaxed environment.

Academically, Dr. Bittner graduated as one of the top students in her class from the University of the Pacific Arthur A. Dugoni School of Dentistry. There, she developed a focus on comprehensive dentistry. She believes in the holistic wellbeing of her patients, starting with a healthy smile. Following in her father’s footsteps, she has an eye for aesthetic dentistry, which drove her to be a leading member in the Aesthetic Dentistry Club at the University of the Pacific, which allowed her to gain valuable experience that she has applied on many unique cases.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Bittner is fluent in both English and Spanish.
