New York City, New York Dec 13, 2021 ([Issuewire.com](http://Issuewire.com)) - [Tvidler](http://Tvidler) is an effective, convenient, and reusable solution to your ear wax accumulation problem. It has no drawbacks of ear drops and, in contrast to q-tips and ear wax candles, Tvidler's award-winning design actually works.

Tvidler ear wax cleaner's unique spiral head tip is designed to "catch" the ear wax and remove it with

effortless twisting motion instead of pushing it further down.

Research shows that cotton swabs are far from ideal when it comes to keeping the ear canal clean. They often push the earwax deeper inside, which can lead to ear infections.

### Benefits of [Tvidler's Ear Wax Cleaning Tool](#):

- Safely removes earwax
- Keeps ears clean & healthy using the revolutionary spiral tip
- Relieve ear-related hearing problems
- Remove earwax fast & easy
- Safer than cotton swabs

I absolutely love this product. The minute I received it, I tried it immediately and I must say I am quite pleased. It did exactly what it's meant to do and my ears are the cleanest they've ever been. And a big bonus I love that it comes with additional pieces so my whole family can use it too. I highly recommend this.
