

## **Jeffrey Fisch, MD, a Reproductive Endocrinologist & Infertility Specialist with Green Valley Fertility Partners**

Get to know Reproductive Endocrinologist & Infertility Specialist Dr. Jeffrey Fisch, who serves patients in Henderson, Nevada.

**New York City, New York Dec 3, 2021 ([IssueWire.com](https://www.IssueWire.com))** - With decades of experience and training from the finest institutions in the country, Dr. Fisch is the Medical Director of Green Valley Fertility Partners in Henderson, Nevada. He is an expert on egg and embryo quality and development, preimplantation genetic screening, and recurrent pregnancy loss.

Green Valley Fertility Partners offers the most affordable and accessible advanced fertility treatments using cutting-edge technology. Their team is highly seasoned and excited about helping patients realize their dreams of parenthood. Their professional knowledge and experience allow them to provide quality and compassionate care to all of their patients.

Educated in the United States, Dr. Fisch received his undergraduate degree from Cornell University and went on to earn his medical degree from Rutgers New Jersey Medical School. He completed his residency in obstetrics and gynecology at Rutgers University Hospital and went to Stanford Medical School, where he completed a fellowship in reproductive endocrinology and infertility.

Following his training, the doctor attained board certification in reproductive endocrinology & infertility and obstetrics & gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Among his other roles, he maintains admitting privileges at Spring Valley Hospital, St. Rose Dominican Hospital, Columbia/Sunrise Hospital, Valley Hospital, and University Medical Center.

With a passion for teaching, Dr. Fisch serves as an Associate Clinical Professor at the University of Nevada School of Medicine, and at Touro University Medical School.

Reproductive endocrinology and infertility (REI) is a surgical subspecialty of obstetrics and gynecology that trains physicians in reproductive medicine addressing hormonal functioning as it pertains to reproduction, as well as the issue of infertility. While most REI specialists primarily focus on the treatment of infertility, reproductive endocrinologists are trained to also evaluate and treat hormonal dysfunctions in females and males after the reproductive years.

Recognized as a Regional Top Doctor by Castle Connolly Magazine, Dr. Fisch has been the recipient of the Top Doctor Award by Desert Companion Magazine (2019-2021), Top Doctor Award by Vegas Seven Magazine (2014-2018), Patients' Choice Award (2015), On-Time Doctor Award (2015), and Compassionate Doctor Recognition (2015).

Happily married, he and his wife have four children, three dogs, and some fish. He enjoys art, travel, and naps when the time allows it.
