

Meet Dikazo CEO in an Exclusive Interview on the V6 News Channel

Hyderabad, Telangana Dec 16, 2021 (IssueWire.com) - [Dikazo](#) - a next-level ecommerce site is three years old and already touching the skies. With a plethora of ecommerce portals online, Dikazo manages to carve a niche for itself owing to its national ideologies and commitment to quality. Here is an insight into what the Dikazo CEO said in an interview last week on the V6 news channel.

Syed Ashfaq Rahil, CEO, Dikazo - Hyderabad: “Dikazo is a next-level ecommerce site launched with the sole idea of reaching every corner and remotest village in India with quality products. The term ‘dikazo’ means ‘when something exciting is happening in our lives’. Dikazo aims to bring happiness, excitement, ease, comfort, and speed to everyone’s lives with 25/7 delivery, premium-quality products, 24/7 customer service, and the lowest rates possible. It is the ideal online shopping portal for the already inspired e-shoppers of today.”

Dikazo is different from the other shopping portals existing for online shoppers today because it offers a range of services, features, and quality that other sites do not offer. The biggest benefit of Dikazo is that it aims to spread its wings to every corner of India. There are still many remote villages in India where other major companies do not offer services. But, Dikazo aims to give easy delivery, shipping, and returns to every Pincode in India./ Dikazo is a brilliant enhancement to the existing online shopping portals. A site that combines all the benefits ecommerce sites offer and also offers plenty more. With a

noble mission and vision in mind, Dikazo aims at a future when every Indian is proud to be a Dikazo customer and calls themselves a member of the Dikazo family.

Mission: Dikazo aims at creating an ecommerce portal that is accessible to the remotest villages of India. We wish to generate more employment and create better job opportunities. Delivery within the shortest time frame is Dikazo's mission. In the coming years, every Indian should be associated with the Dikazo family.

Vision: Dikazo's vision is to create a next-level ecommerce portal that is accessible to the remotest villages in India. It aims at coming up as the best online shopping site selling premium-quality products at the best rates. Dikazo aims to be the preferred shopping site for the already inspired e-shoppers of today. It also envisions a future when every India will proudly be associated with the Dikazo family.

With many dreams and goals in mind, Dikazo is steadily climbing the ladder of success. Today, it invites all local and national-level vendors to collaborate with them so that their products get a wider market and better business. Collaborating with small and big vendors will not only give a boost to dikazo's sales but will also give a chance to small startups to reach the national market.
