Get to know Anesthesiologist Dr. Timothy W. Martin, who serves patients in Gainesville, Florida.

**New York City, New York Dec 9, 2021 ([IssueWire.com](https://www.IssueWire.com))** - A trusted anesthesiologist, Dr. Martin is affiliated with UF Health Children's Surgical Center in Gainesville, Florida. He also serves as a Professor of Anesthesiology, Associate Chair for Education, and Chief of Pediatric Anesthesiology at the University of Florida College of Medicine.

The UF Health Children's Surgical Center is a four-operating-room surgical facility devoted to child and adolescent care. Fully staffed by a team of children's specialists, the center's University of Florida College of Medicine pediatric specialty surgeons, anesthesiologists, and physicians offer a range of outpatient procedures. The nurses and staff are pediatric-specific, and the nature-themed décor is designed to be warm and inviting for kids. The center offers both efficiency and easy accessibility for patients and their families, including separate preoperative, postanesthesia care, and postoperative recovery areas.

Pertaining to his educational pursuits, Dr. Martin received his Bachelor of Science degree in Biology with distinction and his medical degree from the University of Missouri (Kansas City). He later went on to complete a Master of Business Administration degree from the University of Arkansas, where he was voted "Outstanding MBA Student." He completed his internship and residency in anesthesiology, where he was Chief Resident, at Wilford Hall the United States Air Force Medical Center, and his fellowship in pediatric anesthesiology at the University of Cincinnati College of Medicine.

In pursuit of clinical excellence, the doctor is a Diplomate of the American Board of Anesthesiology (ABA) and is board-certified in anesthesiology and pediatric anesthesiology. As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

During his service with the United States Air Force Reserve (Medical Services Corp), he extended his active duty to Individual Mobilization Augmentee (IMA) and later moved to the permanent rank of Colonel.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.

Throughout his illustrious career, Dr. Martin has been the recipient of the Red Sash Award (1995, 2012), Best Doctors in US Award (1996, 1999, 2002, 2004, 2006, 2008, 2010, 2012, 2014), Golden Apple Award (2002, 2003), and Meritorious Service Medal (1993, 1999).
