

Wasim A. Dar, MD, PhD, FACS, a Transplant Surgeon with Hartford HealthCare Medical Group

Get to know General Surgeon, Dr. Wasim A. Dar, who serves patients in Hartford, Connecticut.

New York City, New York Dec 1, 2021 (IssueWire.com) - Dr. Dar is a seasoned general and transplant surgeon practicing through Hartford HealthCare Medical Group at Hartford Hospital Transplant & Comprehensive Liver Center in Hartford, Connecticut. He remains affiliated with Hartford Hospital and is licensed to practice in the states of Connecticut, Wisconsin, and Texas.

Dr. Dar is a 2000-graduate of the Case Western Reserve University School of Medicine. Following a two-year residency in general surgery conducted at the University of Wisconsin Hospitals and Clinics, Dr. Dar continued with a second general surgery residency served at the same educational venue (2007 - 2010). Moreover, he joined Emory University Hospital, where he completed his fellowship in abdominal transplant surgery (2010 - 2012). In addition, in 2007, he acquired his Ph.D. degree with Honors in Comparative Biological Sciences (Immunology) from the University of Wisconsin.

The doctor attained board certification in general surgery through the American Board of Surgery (ABS). The ABS is an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

Transplant surgery refers to surgical procedures in which tissue or an organ is transferred from one area of a person's body to another area, or from one person (the donor) to another person (the recipient).
