

## Website Developers India, Unveils Its Redesigned Website - Lively & Pink!

**www.wdipl.com**

**Mumbai, Maharashtra Dec 30, 2021 ([Issuewire.com](http://Issuewire.com))** - Website Developers India has launched a redesign of their website, [www.wdipl.com](http://www.wdipl.com). The website now features a much cleaner and contemporary design that includes aesthetic colour combinations and enhancements providing a greater engaging user experience and enhanced navigation.

The company's brand strategy is all about a refreshed look, better functionality and the right tools to help our customers with great interaction.

Consistently ranked amongst the best **Mobile App development companies in India**, is a company is known globally for its end to end solutions for business, delivering awesomeness for over 21 years - WDI!

"The old look on the website did not pay enough justice to the dedication and consistency in providing award-winning services to customers, globally. There had to be different colours splashing in with an even intriguing logo," said **Ritesh Pandey, CEO & Founder at WDI**.

The entire team came up with the idea "Lively & Pink", to attract startups and all those entrepreneurs living with an idea but having no execution to it. The website's refreshed and simplified look, integrated with enhanced content and improved search functionality, will allow WDI customers to interact easily and do business with the brand effectively. Featuring streamlined access to 100+ services pages all in one site!

The new website features instant access to tools, resources and services for customers, categorizing services page to ease the load in searching the one for their project. This will surely make it easier for customers to access the information they need and improve WDI's ability to connect with customers in every corner of the world through different digital channels and recommendations.

The colour pink symbolizes "Fresh & Lively", which is a major component in marketing. That's exactly what WDI aims for. Supporting and being a role model for such inspiring young entrepreneurs to outrage their small business into an immaculate brand, globally.
