Dubai, United Arab Emirates Jan 29, 2022 ([IssueWire.com](https://www.issuewire.com)) - Al Ali Yachts Emerge as One of the Leading Yacht Rental Dubai Cruise Charter Services

Al Ali Yachts is a Dubai-based crewed yacht rental company, with customer satisfaction as its primary focus. This [yacht rental Dubai](#) enables tourists and residents to host prestigious events such as weddings, marriage proposals, party boat rentals, team building activities, or a romantic cruise along the city skyline. With a heavy emphasis on safety and enhancement of customer service, yacht rental Dubai has become the talk of the moment.

The popular perception is that the yachting lifestyle is beyond reach for the average person. Al Ali Yachts want to change that. There has never been a better time to join the sailing community. You don't need to own a yacht to enjoy the sensation of water flowing beneath your feet and a sea wind brushing across your skin. Yacht rental Dubai is a cost-effective method to enjoy sailing around the Emirate with family and friends. Al Ali Yachts aims to make the yachting lifestyle more accessible to the general public.

Yacht Rental Dubai

Dubai is a great spot to visit on a yacht charter since it offers numerous gorgeous anchorages that are only accessible by yacht and off-the-beaten-path coves where you can spend your days relaxing in the

sun. For generations, travelers have been drawn to the magnificent crystalline waters of the Persian Gulf.

Creating a memorable experience with Al Ali Yachts rental and charter Dubai combines the best of both worlds. In the heart of Dubai, just feet away from the dock, find endless facilities and entertainment, while isolated beaches and the open ocean are only a short voyage away.

Why Pick Al Ali Yachts?

Al Ali Yachts pay attention to clients' needs and then recommend the ideal yacht for the occasion. Providing food and beverage options, as well as more water sports as optional extras. The skilled crew and captains are dedicated to providing high-quality yacht rental services so that the customers have the greatest yachting experience possible.

Premium Vessels for Cruising & Charters

A diverse selection of yacht rentals, ranging from low-cost options to high-end luxury options. The extensive fleet includes:

Gulf Craft 36ft

Although the Gulf Craft 36 is not the most attractive sports yacht rental Dubai, it has a lot to offer and is a highly strong, functional boat that can be chartered on budget. Boasting a hardtop with full camper covers as well as oversized teak inlaid boarding platform, she is not only an all-weather proposition, but an ideal yacht rental Dubai for water sports, cruising, and fishing.

Large glass windows with aluminum frames surround the cockpit. Even if the primary view from the yacht rental Dubai is the foredeck, there is good visibility. While the ventilation between the windows and the hard-top will be nice on hot summer days, the boat has a pair of clears to keep less ideal elements out.

With a tiny electric fridge that sits next to the driver. It can hold a half-dozen softies or something more substantial for the crew and passengers of Yacht rental Dubai. Teak is used to cover the whole aft cockpit floor as well as the helm station deck. A tiny round table is fixed in the aft cockpit, or Al Ali Yachts can use a larger table if there are a few people eating lunch at the yacht rental Dubai.

Majesty 48ft Yacht

This 48-foot boat is ideal for seeing the main attractions that Dubai has to offer. Bring your friends and family because the boat can accommodate up to 12 passengers in the air-conditioned saloon, the upper deck with a nice breeze, the sun loungers at the bow, and the cockpit.

The Majesty 48, with its fresh, contemporary interior design, social cockpit area, and spacious fly-bridge, is easily owner-managed and has been designed to entice first-time yacht rental Dubai charters by anticipating and accommodating their needs.

It is an ideal yacht rental Dubai for families who want to comfortably entertain more than a dozen guests from its viewing decks, thanks to an unprecedented amount of topside deck for passenger enjoyment. The panoramic main deck welcomes a saloon, dining, and a galley with plenty of light, generous space, and high-quality finishes.

Majesty 63ft Yacht

The Majesty 63 has four bedrooms, three of which have en-suite bathrooms, thanks to clever space management. The full-beam owner's bedroom has about 1.5-meter-wide windows and an en-suite that is innovatively 'integrated.' There are two kitchens on the Majesty 63: one on the main deck and one in the crew section. Two separate crew cabins, each with an en-suite bathroom and access from the swim platform, are placed in the rear of the yacht rental Dubai.

The Majesty's fly-bridge can be customized to meet the needs of individual customers, whether for day cruising or sea-crossing adventure. Seating spaces and rooms can be expanded, or a greater emphasis placed on toy-carrying capacity, while an integrated waterproof LCD television provides al-fresco entertainment at Yacht Rental Dubai.

Majesty 77ft Yacht

Majesty 77 at Al Ali Yacht rental Dubai is an excellent vessel for those who want to get the most out of their time at sea. The attention to detail in the main salon will make the yachtsmen feel as if they are entering a completely new planet surrounded by a deep blue ocean. Her four guest cabins are large enough to accommodate an overnight stay. Her crew accommodations are roomy, and she has a fully equipped galley. The large flybridge has plenty of seating and sunbathing areas, as well as a grill and a jet ski. The ambiance is opulent and cozy, with a sense of exclusivity.

It is ideal for cruising with family or for small social groups. As soon as you step onto the yacht rental Dubai, its hardwood deck, and into the cockpit's aft seating area, you'll be blown away by what it has to offer as a luxurious home at sea. The inside features dark woods and leather furnishings, as well as a bar in the huge living room and a separate dining room. Its four guest cabins, which include a master, a VIP double, and two twin double cabins, can accommodate up to eight overnight guests at Yacht rental Dubai.

She cuts across the water at a top speed of 25 knots, keeping the spirits high. The accommodation is divided into 5 cabins, with room for up to 50 guests. She is certain to outperform expectations in terms of speed and quality.

Its exterior styling reveals a great deal about the amount of research and effort that must have gone into creating such an engineering and design marvel. It is a larger yacht that can comfortably accommodate 30 guests for day cruising and up to 10 guests for overnight stays. It is a truly luxurious yacht for those looking for a plush cruising experience. Diamond 101 is a sophisticated yacht rental Dubai with a sleek designer exterior and luxurious interiors.
