

All Around The World Are WatingTo Mohamed Elhousseini's New Album “Taqasims”

Mohamed Elhousseini's New Album “Taqasims”

Cairo, Egypt Sep 3, 2022 (Issuewire.com) - The Egypt-based artist has been teasing songs on his Instagram live from his highly anticipated project “Taqasims” which was under-released on Oct 1rd. His Instagram lives are known for having thousands of viewers and supporters at a time and all of them were excited and eager for the release.

The album consists of songs called “Clarinet Taqasim”, “Rahet”, “Mozmar Bl-Semsem”, “Gor3et 7az”, “Sax Taqsim”, “Under Earth”, and his hit song “Accrodion Taqasim”. Lately, his songs have been trending on reels, Tik Tok, and many more platforms.

Mohamed Elhusseini has been going viral for his new sub-genre called “Mohamed Abdelsalam” which is a fusion of popular drill-type beats and Beats. Elhusseini releases “Mozmar Elavatar” off his latest album “Made From Pain”

Mohamed Elhusseini is not just an artist but also an executive producer involved in many records coming out in 2022. Currently has his record label called “Mohamed Elhusseini Recording Lanel” and his own publishing company “Elhusseini`s Publishings.”
