MAGIC IS ABOUT TO HAPPEN!

Los Angeles, California Jan 21, 2022 (IssueWire.com) - **Gabito Rohh** is an artist with a camera. He understands a subject matter and clicks the best view out of the subject. The book '**Crecer es una opción**' captures the essence of childhood, his journey from a childhood photographer to his taste in photography. It captures various emotions of the author. The book meticulously puts the spotlight on his inner thoughts and emotion associated with his passion. Moreover, the book also focuses on the perspective he has towards the subject of his pictures. Through different subjects of his images, he puts his versatility on every page of his book. The book demonstrates his relationship with his lens and how he maneuvers his techniques to make the best use of it.

The book is the debut work of **Gabito Rohh**. In the book, he has shared all his experience in working with more than 500 children. The pictures in the book are detailed and shows different style and process of taking photos of the author. It also justifies the mindset of the author behind a click. So, it would not be wrong to say that the pictures in the book also delves into the mind of the author, his psychology, and his philosophy about life. In other words, the book brings out not only the best photographer but also the best human being out of the author.

For those who have any interest in photography, this book certainly is the best one to grasp the right understanding of the profession. Although it is the first book of the author, he has set an example for many photographers about how to click the photos and present them in a book. Adding to this, the book comes as a promise to the readers for more such amazing content in the future. The charisma he has shown in the book will continue and he will be inspiring to the budding enthusiasts in the industry. So, without any further ado, check this book out. '**Crecer es una opción**' is available on Kindle. To share views or any remark on the book, one can follow him on his social media accounts on- Facebook, Instagram, and Twitter.
