

## **Hip-hop Recording Artist in Nigeria Set To Release New Album**

**Abuja Federal Capital Territor, Nigeria Jan 3, 2022 ([Issuewire.com](http://Issuewire.com))** - "Raheem Da Dream" is a hip-hop artist based in Nigeria and reaching worldwide.

Last year had been a tremendous year for the musical artist. His career took to new heights. His achievement in hip-hop for the year 2021 had even been noted by the national newspaper in Nigeria, "The Daily Trust". The attention he had garnered over the last year was a leap in his career. "Raheem Da Dream" had also been invited to appear on the radio shortly after the Daily Trust had done a story on him.

The persistence in his character is marked in his ability to keep moving forward. Always continuing to build hip-hop and re-enforce its foundations He establishes his presence in a way that commands respect.

He has worked with members of the American rap group "The Lost Children Of Babylon". He (Raheem) represents Nigeria in the worldwide network of the "LCOB". He will release audio recordings featuring various members of "The Lost Children of Babylon" in the coming year.

Raheem Da Dream has a new album that is now set for release (produced by Spion Liape). Bringing in the new year with new hip-hop. This artist is "set to take the world by storm" according to the various multi-medias in his respected area (Nigeria). It is recognizable the way this artist takes action to put his dreams into motion. Travelling city to city to share his gift of music, is just one way he has established his presence in Nigerian hip-hop and also on the world wide web. Raheem's new album will be available in just a few short weeks from now.

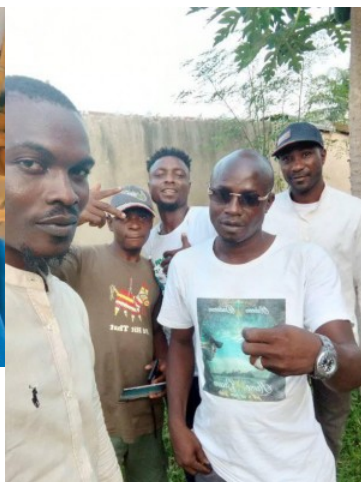

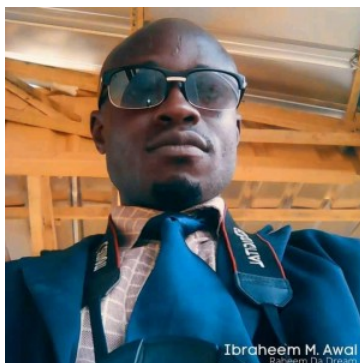

In Raheem's words:

*"There's always a humble beginning, so don't give up, keep growing and keep at it"*
