

Kenneth E. Williams, MD, MBA, an Anesthesiologist in Private Practice

Get to know Anesthesiologist Dr. Kenneth E. Williams, who serves patients in Edinburg, Texas.

New York City, New York Jan 4, 2022 (Issuewire.com) - An excellent anesthesiologist, Dr. Williams serves patients at his private practice in Edinburg, Texas.

Back in 1992, he earned his medical degree from the Temple University School of Medicine. He

completed his residency in internal medicine at the Albert Einstein Medical Center, and his residency in anesthesiology with the Memorial Hermann Healthcare System.

Following his training, the doctor attained board certification in anesthesiology through the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.
