Get to know Plastic Surgeon Dr. Stefanie Anne Feldman, who serves patients in Agoura Hills, California.

New York City, New York Jan 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - A board-certified plastic surgeon, Dr. Feldman has a comprehensive and meticulous approach to aesthetic, non-invasive procedures and has been particularly experienced in vaginal rejuvenation procedures.

At Vitality Institute of Agoura, she uses the most up-to-date techniques for laser tattoo removal, scar reduction, hair restoration, non-invasive fat removal, and radio-frequency facial rejuvenation. Her kind and personable approach make her patients feel comfortable and confident while assisting women and men to look and feel their best.

Completing a Bachelor of Science in Nursing degree at the University of Arizona, Dr. Feldman earned her medical degree from the University of Arizona Medical School. She completed her residency in plastic surgery at the University of Utah Medical Center.

Recognized as a Fellow of the American College of Surgeons, the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Prior to establishing the Vitality Institute of Agoura, she practiced in Beverly Hills, where she focused on non-invasive aesthetic procedures including injectables, threading procedures, and PRP (Plasma Rich Proteins) for hair loss and facial rejuvenation. Prior to that, she had a plastic surgery practice specializing in post-mastectomy breast reconstruction and other breast surgeries.

A long-time advocate for women's health issues, Dr. Feldman is known for presenting to women's groups and has done presentations internationally on breast surgery in China, Thailand, and South Africa. She was honored by Super Doctors via peer review and featured in an episode of The Operation: Breast Reduction Surgery.

In addition, she is known for her international volunteer work, having made over 20 trips to help repair cleft lips and palates with Operation Smile and Interplast. Her volunteering was noticed by the University of Arizona, and she was awarded the Leo B. Hart Humanitarian Award. She now dedicates two evenings a month to help at the Westminster Free Clinic.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
