

The Impostor Has Slandered World Famous Singer Hasdie Hasnan Instagram Account

New year 2022 is a year of suffering for this famous singer

London, United Kingdom Jan 4, 2022 (IssueWire.com) - International singer from Brunei Darussalam who is famous with a single song titled I Love You More and Angel he is Hasdie Hasnan now in a depression situation because he was impersonated by someone who won't responsible for this case. This source by his official Instagram account @hasdiehasnan, has uploaded a story about he now depressed because someone was impersonating him using his name, photo, and identity card at fake Instagram account @hasdiehasnan2 @hasdie.hasnan0 and @hasdiehasnanofficial22, what the bad things are the fake account has uploaded photos at a story that allegedly hasdie hasnan raped a virgin teen and raped someone's wife and use that girl just because of his lust gratification. Hasdie Hasnan has informed us on his official Instagram account story that news is not true and it's just slander and fake account that may be used by his haters.

Hasdie Hasnan is now afraid to come out from home just because of that news and he is honestly afraid someone wants to kill him or instead especially the husband of the wife who had been raped by hasdie in the slanderous news. Hasdie also upload a text at his official Instagram story that, if this disguise continued, he would not hesitate quite to report the case to the authorities. On 4th January 2022, Hasdie Hasnan has uploaded the story "It's just slandered Fake Account", which means Hasdie Hasnan officially inform us that he was impersonated by someone.

Ours Pray for him from us USA Today and BBC News, We hope Hasdie Hasnan is safe now, and may God bless him.
