Nashua, New Hampshire Feb 8, 2022 (Issuewire.com) - Expert dentists at Advanced Family Dental now provide a [24-hour emergency dental care service](#) for individuals who have dental emergencies after regular office hours. Patients can rest assured that their oral health is in expert hands when a dental professional is promptly available by choosing Advanced Family Dentistry Emergency Dental Care.

We recognize that dental problems rarely occur during regular office hours at Advanced Family Dentistry. As a true partner in our patients' dental health, we want to be available 24 hours a day, 7 days a week. This new emergency call service is an asset to us, and it gives an extended level of care to our patients.

With the launch of the practice's new emergency dental care service, customers can now contact Advanced Family Dentistry emergency dentists 24 hours a day, seven days a week, if they require emergency dental care.

This includes any pain, discomfort, or dental concern that must be postponed until the next working day, such as:

1. Jaw or tooth pain
2. Broken teeth
3. Gum injury
4. Dislodged teeth

A skilled dental professional from Advanced Family Dentistry will be accessible to assess emergency circumstances and chat with patients about any pressing concerns. The business also makes time to examine and treat patients needing emergency dental care in its daily routine.

Aside from providing emergency dental care in Nashua, the expert team at Advanced Family Dentistry is trained to deliver emergency dental treatment in a friendly, kind environment. Our office offers a comprehensive range of services to individuals of all ages, from routine cleanings and tooth whitening to Invisalign and restorative dentistry.

Quality dental care should not stop when patients leave their appointments, and it no longer has to. Patients who have a true dental emergency can phone (603) 821-9046 to talk with a trained dental practitioner. Around-the-clock emergency treatment is simply another way the practice is dedicated to being as responsive to its patients as possible.

Call (603) 821-9046 today to learn more about 24 hours emergency dentistry treatment provided by [Advanced Family Dentistry](#) in Nashua.
