

## Amity Global School Gurgaon Celebrates Republic Day 2022 Online

**Delhi, India Feb 10, 2022 ([Issuewire.com](http://Issuewire.com))** - For another year in a row, Amity Global School organised its Republic Day celebrations virtually with an assembly that was attended by students and teachers from all grades. Ranking among the [best Cambridge schools in Delhi NCR](#), the institution made it an occasion to cherish with hearty participation by learners of different ages.

The event unfolded with prayers, poetry, patriotic songs, and dance performances that created a lovely ambience of nationalism irrespective of where the audience was joining from.

The students who shared their talents in artistic and cultural forms also went a mile ahead by decorating their homes in tri colours to make the performances more engaging.

Amity Global School is one of the few [Cambridge schools in Delhi NCR](#) that also offer **the [IB Diploma Programme](#)**. It is a recognised Cambridge International and IB World School. And this is exactly why its students get plenty of opportunities to nurture their personal talents while getting exposure to balanced programmes under two globally renowned education boards.

As a **primary school in Gurugram** Amity Global School offers the IB Primary Years Programme (IBPYP). It is aimed at the all-around development of little learners in the age group of 3 to 10 years.

During the recently organised Republic Day Assembly these IBPYP students mesmerised everyone with their singing, presentation, and dancing skills. They clearly exhibited what differentiates a scholar with IB Learning Profile.

Even though the performances of all participants were different from each other, together they echoed the spirit of Republic Day and showed students' in-depth understanding of a day that commemorates the adoption of the Constitution.

The [schools in Gurgaon](#) are still closed for junior classes due to the ongoing wave of the Omicron variant. However, this does not prevent them from maintaining a steady pace of their curriculum.

Ranking among the **best schools of Gurgaon**, Amity Global School holds regular tests and assessments to evaluate the efficacy of its online classes. And its students excel at both academics and event celebrations even during this unusual phase for the education sector.

For those who want their children to join a Cambridge and IB school in Gurgaon, the admissions are open although seats are filling up fast. For health safety, parents are advised to apply online instead of visiting the school campus.

### **About Amity Global School, Gurgaon**

The Gurugram based campus of Amity Global School received its first batch of students in August 2008 and is now a leading Cambridge International and IB World School with education facilities from Pre-Nursery to Grade 12th. The school has been helping young scholars imbibe the virtues of global education year after year. It is ranked amongst the best international schools in Delhi NCR.

This institution is a part of the Amity Group of Institutions catering to the academic interests of more than one lakh students across the globe. The group offers programs for students of different age groups beginning from Kindergarten to University level.

At Amity Global School, there is equal emphasis on the intellectual, physical, emotional, and spiritual development of children. The teachers work tirelessly to nurture the individuality of each student and prepare them to be responsible adults of the future. A disciplined approach to academics, sports, and extra-curricular activities is the hallmark of the institution.
