

Dominoe named Executive Producer of "The Zu Reviews Show"

The Zu Reviews Show has brought Dominoe The CEO of the production company 'For Those Who Care LLC' also known as "You're Welcome" on board for the launching of the second second season of "The Zu Reviews Show'

Las Vegas, Nevada Feb 16, 2022 (IssueWire.com) - Dominoe, the owner of "You're Welcome" is very hands-on and involved with everything he does within the company. He assists with the engineering of the music, photography/ videography, credit repair, extreme sports tutoring, and monetizing your work. He also spent time managing artists such as Jr Castro, Tr3 Bizzl3, Dymond J, and more. Throughout his time managing artist, he built a skill set to shoot videos, engineer music, market brand, and everything you need to know to get a project off the ground.

Booting up the second season of The Zu Reviews Show Dominoe reached out to Big Boo (Co-Founder of The Zu Reviews Show) to assist with managing some artists. In the midst of catching up, Dominoe said "I just loved the vision of The Zu Reviews Show and I see how far the show can go. I want to do whatever I can to help this show see its full potential." Dominoe stopped by a couple of episodes and immediately started making adjustments to help the show evolve.

With The Zu Reviews Show Dominoe uploads and upkeep the show on all podcast platforms, handles digital marketing, makes plans and goals to increase the show's revenue. No job is too big nor too small for dominos or anyone at The Zu Reviews Show crew. We stopped by and saw Dominoe shooting BTS footage, serving food, editing footage, cleaning all the way to being a guest on camera, and booking talent for the show. Big Boo says "It just seemed like the numbers started going up overnight after Dominoe came three and started moving stuff around for me."

The Zu Reviews show airs every Thursday night at 8 p.m. on YouTube. You can also catch Dominoe and The Zu crew on the apple podcast or wherever you like to listen to your favorite podcast. Stay tuned to see the growth and additions Dominoe is adding to the show, from what we can see so far everything he touched turns into gold.
