At the point when you input and redeem the code, you'll have the choice to ensure your honors from the in-game letterbox. On the occasion that they're not showing up, close Cookie Run: Kingdom absolutely and relaunch it.

In "Punch Me, Love Me", Munch is invited to an orgy at a manor house but after the host tries to put a move on Munch's wife, she ends up in the cellar being assaulted. In "Punch Me, Love Me", Munch is forced to participate in a reality TV show where a contestant has to get to the bottom of a mystery using his own intelligence. After they discover that it is actually Munch and his wife trying to solve the mystery, they agree to help. Munch is later revealed to be a contestant on a game show called The Creep Show. In "A Fistful of Flapjacks", Munch is called to the Royal Courts of Justice where he and the rest of the team investigate a break-in at the Justice Department. In "A Fistful of Flapjacks", he learns that the Creeper has been stealing "Justice Department property" including computers and cameras.
