

Michael D. Mason, DO, an Orthopedic Surgeon with Newport Orthopedics

Get to know Orthopedic Surgeon Dr. Michael D. Mason, who serves patients in Newport, Rhode Island.

New York City, New York Feb 11, 2022 (Issuewire.com) - Dr. Mason is a board-certified orthopedic surgeon with Newport Orthopedics, a Lifespan Physician Group practice. He welcomes the opportunity

to become part of, and hopefully make a difference in, a close-knit community with a worldwide reputation for being hospitable, social, and caring.

“My clinical practice is centered around the replacement of hips, knees, and shoulders. In addition to performing these procedures, I have designed and participated in the design team on many medical devices and joint replacement implants commonly in use today” expressed Dr. Mason.

Offering life-changing results, his areas of expertise include orthopedic surgery, hip replacement, knee replacement, joint replacement, and reconstructive surgery.

Born and raised on Staten Island, New York, Dr. Mason obtained his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine in 1987. He then went on to perform his internship and residency in orthopedic surgery at UPMC Pinnacle Community Osteopathic. Thereafter, he continued his subspecialty fellowship training at Massachusetts General Hospital and Brigham and Women’s Hospital, affiliates of Harvard Medical School.

As a testament to his success, the doctor is board-certified in orthopedic surgery by the American Osteopathic Board of Orthopedic Surgery (AOBOS). The AOBOS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of disorders of the musculoskeletal system.

Passionate about being a part of the field of orthopedic surgery, Dr. Mason has designed and been involved in the development of multiple artificial joints. He has more than 20 years of experience in joint replacement and reconstructive surgery, most recently at New England Baptist Hospital in Boston.

Licensed to practice medicine in Rhode Island and Massachusetts, he is affiliated with New England Baptist Hospital and Newport Hospital.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

Among his numerous accolades, Dr. Mason is the recipient of the Patients’ Choice Award (2008, 2009, 2010, 2011, 2012, 2015, 2016, 2017, 2018), Compassionate Doctor Recognition (2010, 2011, 2012, 2014, 2015, 2016, 2017), and Patients’ Choice 5th Anniversary Award (2012).

Apart from work, he likes to sail and explore new destinations. He also enjoys taking walks, playing with his dog, and cooking.
