

Nabil Salib, MD, a General Practitioner with MyDoc Urgent Care

Get to know General Practitioner Dr. Nabil Salib, who serves patients throughout the State of New York.

New York City, New York Feb 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Salib is a General Practitioner at MyDoc Urgent Care in Brooklyn, Bronx, Forest Hills, and East Meadow, New York. He provides patients with the compassionate, high-quality care they deserve with no appointments needed and no wait time.

At MyDoc Urgent Care, the doctor and his team provide a comprehensive range of care for patients of all ages, including infants and older adults. They treat patients like family and believe in helping them save time and money. They offer on-site X-rays, blood tests, drug tests, IV fluids, and asthma and allergy testing and treatment to meet immediate medical needs that aren't life-threatening.

In regards to his educational background, Dr. Salib graduated with his medical degree from the Yale University School of Medicine, and specializes in urgent care. With his personalized and compassionate

bedside manner, education, and experience in urgent care settings, patients trust him with all immediate medical needs. He uses a hands-on approach and innovative technology to optimize patient care.

Furthermore, he performs certified medical examinations for athletes, overseas workers, commercial drivers, pilots, police officers, and firemen. He sees patients at same-day doctor appointments for illnesses, annual physicals, EKGs, cholesterol screenings, STD testing, and much more.
