

Talented music artist Kourosch Torbat Zadeh is making the world sway to his tunes

The Iranian professional has made it huge as a social media consultant and information security expert and now wishes to make it huge in music.

Berlin, Germany Feb 11, 2022 ([Issuewire.com](https://www.issuewire.com)) - Most of the industries today are driven by the digital wave. A few years ago, experts had predicted the growth of digitalization, but no one saw a pandemic coming and never thought that the digital space would become the need of the hour for the world to function. Today, everything has changed with more and more adoption of the digital mediums, especially social media platforms, and rightfully so for the kind of massive opportunities it has offered people, brands, and businesses to grow and flourish in their niches. These advancements have led to the birth of many astute professionals in the industry, who are today driven by their aim to make a positive difference in the field with their pristine visions and pure passion. One among them is Kourosh Torbat Zadeh, a young talent who has made his name huge as an expert and consultant of social media and information security.

On asking what drove him towards the digital realm, the 1991-born Iranian youngster says, “To provide value to my clients and bring about a wave of good change in the niches for inspiring innovation and greatness.” As a top expert in information security, Kourosh Torbat Zadeh radiates brilliance with his strong technical aptitude, problem-solving skills, communication skills, attention to detail, and the ability to use logic and reasoning to identify the weaknesses and strengths of the IT system.

However, Kourosh Torbat Zadeh is also excited about his new journey as an Iranian singer. His melodic voice and the passion he pours into his tracks directly connect with the hearts of the listeners and music lovers. Showing diverse talents in the social media world as a consultant and as an expert in information security, apart from being a virtuoso, Kourosh Torbat Zadeh as a young talent has come a long way and still believes he has a long way to go.

“There is so much to learn each day in all that I do and so much more to explore in these fields to better my craft as an expert in the digital realm and as a passionate singer in the musical world”, he highlights.

Kourosh is also a well-known employee of MTN Irancell.
