

# Thanus Karan: A young and inspiring businessman

The power is a state of mind

**Kuala Lumpur, Malaysia Feb 28, 2022 ([IssueWire.com](http://IssueWire.com))** - Mumbai based Entrepreneur Thanus Karan was always interested in the idea of working from anywhere in the world at any time which is the most convenient way of working for anybody and everybody and thereby he chose the career of online marketing and business strategizing for the local businesses all over the world.

**Founded [RED DRAGON DIGITAL MARKETING AGENCY](#) at the age of 17**

Thanus Karan is the founder and CEO of Red Dragon Digital Marketing Agency which is a company that assists businesses in the US to get more customers using sales funnels and Facebook ads. There are many emerging digital entrepreneurs in our country who have successfully established themselves in this industry. But, these talents are often not talked about by people around us. **Thanus Karan** is also one of the rising digital entrepreneurs and the founder of RED DRAGON

### **Thanus Karan his educational qualifications**

He stated that he has mostly learned through doing it more than learning itself. He said Experience and action are more important than learning and binge watching mentors on YouTube. When starting any business, whether it be online or offline, one should always first focus on the mindset and fundamentals of that particular business and then only focus on the skillset and the action steps, he added.

### **Thanus elucidating his way to achieve success**

Thanus says that he strongly believes that power is a state of mind. Most people do not have big goals, some people do have big goals but without a proven plan to achieve it, so they end up failing. "it doesn't matter what is true, only what you believe is true because with work it will become true", remarks Thanus Karan.

One of his favourite quotes is, "**Sometimes life is going to hit you in the head with a brick. Don't lose faith**". **His belief Success and failure are a part of life but they are not the deciding factors. One success does not make a person invincible and one failure does not mean that there is no hope anymore.**
