

Abdel Aziz Jaffan, MD, a Radiologist with Aurora Medical Center

Get to know Radiologist Dr. Abdel Aziz Jaffan, who serves patients throughout the State of Wisconsin.

New York City, New York Mar 10, 2022 ([IssueWire.com](https://www.issuewire.com)) - Well-versed in the field of radiology, Dr. Jaffan is affiliated with Aurora Medical Center, seeing patients at their offices in Grafton and Burlington, Wisconsin.

At Aurora Medical Center, they strive to offer services that are close to home and help make the whole community healthier. And they treat each person as a person, not as a patient, an illness, or an appointment – it is at the heart of everything they do.

With a broad educational background, Dr. Jaffan earned his medical degree at Saint Joseph University in 2001. After completing his internship at the Medical College of Georgia in 2003, he completed his residency in diagnostic radiology at the St. Louis University School of Medicine in 2008. Finally, he completed his fellowship in vascular & interventional radiology at the University of Virginia School of Medicine in 2009.

With an unwavering commitment to his specialty, the doctor is board-certified in diagnostic radiology and interventional radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

In his professional experience, he can also be found on staff at Aurora Lakeland Medical Center, Aurora Medical Center Kenosha, Aurora Medical Center Manitowoc County, Aurora Medical Center Oshkosh, Aurora Medical Center Summit, Aurora Medical Center Washington County, Aurora Sheboygan Memorial Medical Center, Aurora Sinai Medical Center, Aurora St Luke's Medical Center, Aurora St Luke's South Shore, and Aurora West Allis Medical Center.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
