Jahanabad, Bihar Mar 14, 2022 (Issuewire.com) - Samridhi Health Care is the best pathology lab in Jehanabad. Pathology is that branch of diagnostics that studies the bodily fluids of our bodies like blood, tissue urine, stool, etc. based on these studies and analyze the medical well-being of the patient can be determined. Existing diseases, deficiencies, or any preventative future problems can also be identified. From time to time we suffer from ailments for a long time and the cause is not known. Then again simple diagnostic tests can help solve and identify the problem. These testing would include blood tests or even simple radiological imaging. All the diagnostic facilities are available at the **blood test center in Jehanabad**.

[Samridhi Health Care](#) is providing all diagnostic facilities under one at its centre in Jehanabad. The lab is equipped with state-of-the-art machines that are supervised and run by highly trained technicians and

under the management of the pathologist. Sometimes there is a requirement for radiological imaging along with the blood tests at the **Diagnostic center in Jehanabad**

Thus a proper study is undertaken in which the pathologist along with the radiologist associate the reports and identify any discrepancy with the testing parameters.
