

## IssueWire Launches the Second Edition of Its PR Magazine Featuring Top Business News Innovations

IssueWire launches PR magazine bringing brand owners, journalists, investors, and consumers together offering an incredible amount of opportunities in various aspects.

**New York City, New York Mar 5, 2022 ([IssueWire.com](https://www.issuewire.com))** - The globally renowned press release distribution company, IssueWire is now launching its second edition of business Magazine on March 5th after getting positive responses from its first edition that was released on January 2022. The magazine presents a brilliant platform for both small and big scale businesses around the world by featuring their press releases and articles regarding them in the new edition. The company brings the latest and most relatable business trends and news to the readers keeping them updated about the contemporary business world.

Armed with their years of experience and comprehensive knowledge of the modern marketplace, [IssueWire PR magazine](#) aims to shed light on different business opportunities and innovations that have the potential to lead the industry. The magazine features thoughtfully picked client stories to offer emerging entrepreneurs and start-ups an opportunity to showcase their brand before a massive worldwide audience. The magazine will also be featuring interviews of business owners, entrepreneurs, and individuals to give the readers a clear idea of how the business world works.

The magazine has a team of expert writers with years of experience in the field, bringing crisp and quality articles on exciting happenings of the current business world. Apart from featuring the trending topics of the current business scene, the magazine by IssueWire will also have an editorial section introducing a compelling piece summarizing all the sections in the magazine.

Businesses from any industry wanting to grab the opportunity to get featured in their client stories

section can contact IssueWire for placement. The featured companies will get a massive amount of online exposure and audience engagement. The magazine will be released on the 5th of every month bringing lots of exciting business news and stories to the readers and will be simultaneously released on Amazon. Interested readers can get their hand on every single edition as soon as it's released with a monthly subscription.
