

Lisa Thompson, MD, an Ophthalmologist with Medical Eye Services & John H. Stroger Hospital of Cook County

Get to know Ophthalmologist Dr. Lisa Thompson, who serves patients throughout the State of Illinois.

New York City, New York Apr 28, 2022 ([IssueWire.com](https://www.issuewire.com)) - An experienced ophthalmologist, Dr. Thompson is affiliated with Medical Eye Services and serves as the Ophthalmology Residency Program Director and Director of Pediatric Ophthalmology and Strabismus at the John H. Stroger Hospital of Cook County. Her practice focus areas include adult strabismus surgery, eye muscle surgery, amblyopia management, and diabetes.

Medical Eye Services, founded in 1973, is Lake County's leading practice dedicated to excellence in medical and surgical eye care. They specialize in the treatment of pediatric, corneal, uveitis, glaucoma, cataract, and retinal eye problems, as well as providing routine eye exams to ensure continued maintenance of good vision.

As the flagship of Cook County Health, John H. Stroger Hospital remains at the forefront of new therapies and innovations in healthcare. The 450-bed teaching hospital serves as the hub for Cook County Health for the delivery of specialty and subspecialty care. They are home to one of the busiest Level 1 trauma centers in the nation and the hospital's emergency room treats approximately 120,000 adults and children annually.

Educated in the United States, Dr. Thompson earned her medical degree at Rush University Medical College in 2000. Wanting to further her education, she completed her internship at the Advocate Illinois Masonic Medical Center in 2001 and her residency in ophthalmology at the John H. Stroger Hospital of Cook County in 2004. Finally, she completed her fellowship in strabismus at the Wright Center in 2005.

As a testament to her success, the doctor is board-certified in ophthalmology by the American Board of Ophthalmology, an independent, non-profit organization responsible for certifying ophthalmologists in the United States of America.

Ophthalmology is a branch of medicine and surgery, that deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. Ophthalmologists are also surgeons. They repair traumatic injuries to the eye and may perform cataract, glaucoma, and corneal surgery.

On a more personal note, Dr. Thompson is fluent in both English and Spanish.
