Get to know Neurosurgeon Dr. Matthew Burton, who serves patients in Lake Charles, Louisiana.

New York City, New York Mar 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - Get to know Neurosurgeon Dr. Matthew Burton, who serves patients in Lake Charles, Louisiana.

A prominent neurosurgeon, Dr. Burton is affiliated with Memorial Medical Group Interventional Spine & Neurosurgery in Lake Charles, Louisiana.

Beginning his professional pursuits by graduating with his medical degree from the Louisiana State University Health Science Center in 2012, he went on to further his training by completing his residency in neurological surgery at the University of Missouri in 2019. He is an active member of the Congress of Neurological Surgeons to stay up to date in his field.

Neurosurgery is the medical specialty concerned with the prevention, diagnosis, surgical treatment, and rehabilitation of disorders that affect any portion of the nervous system including the brain, spinal cord, peripheral nerves, and extra-cranial cerebrovascular system. Neurosurgeons are doctors who diagnose and treat problems with the nervous system, often by performing surgery on the brain or spine. They treat strokes, tumors, certain types of birth defects, infections, and head or spinal cord injuries.

Among his most notable achievements, Dr. Burton has been the recipient of the Compassionate Doctor Recognition in 2015.
