

Nagpur To Get 40,000 Square Feet Storage Space Through Awl India'S Efforts

The Logistics Giant Company is Set To Expand Storage Units In Nagpur'S Emerging Market

Nagpur, Maharashtra Mar 7, 2022 (Issuewire.com) - The logistics and [warehousing company](#), AWL India is all set to expand to 10 lakh square feet of area in the country in the coming year. One of the many cities the logistics company is expanding in is Nagpur. According to a report, the city is going to be the country's next best warehousing hub. AWL India is expanding over 40,000 square feet of storage area in Nagpur.

The CEO of the company, Mr. Rahul Mehra, comments about AWL India's expansion plans, "We are expanding to some of the upcoming warehousing and logistics hubs in India, and Nagpur is certainly one of them. It will be a base location for catering to the warehousing and logistics needs of diverse industries, and we're excited to make it happen through our solutions".

Upto 26,000 square feet area is being targeted for the development of new [logistics centers](#) and warehousing, in accordance with the government's plan of developing more logistics infrastructure in the country. Some of the industries that the company is going to target include Fashion, Retail, and eCommerce. Each of these industries is experiencing an increase in demand but a shortage of inefficient logistics solutions. In addition to the 26,000 sq. ft area, a total of 40,000 sq. ft. storage area is also being established.

The CEO says, "India is experiencing a never-seen-before demand for efficient and fast-paced logistics. Ever since the time of the pandemic, the support that the government has shown to the logistics industry is also immense, and we're sure it will help us curate better logistics solutions for various industries and their specific demands".

Apart from targeting the logistics aspect, AWL India also serves 360-degree [supply chain solutions](#) for industries. And as the last few years have taught us, it is very important to invest in supply chain optimization as it can have a direct impact on your business. Nagpur, and other cities in India will benefit from AWL India's endeavour of taking logistics to the next level in the country and attempting to connect every remote corner of the country through seamless logistics solutions.
