

Amii Stewart Releases Brand New Single and Music Video of "Perfectly Beautiful" on ProtoStar Records

1970s Disco Queen partners with ProtoStar Records, a division of Red Giant Rights Group, LLC, to launch her brand new Single and Music Video for an original song called "Perfectly Beautiful."

Midlothian, Virginia Apr 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - Platinum-selling, Disco icon Amii Stewart - most identified with US Billboard Hot 100 #1 hit in 1979 called "Knock On Wood" - shares the result of a personal journey of taking ownership of her identity.

“When I look in the mirror, what do I see?
The 'Perfectly Beautiful' to me!”

Amii Stewart’s new song is an anthem of empowerment and self-acceptance, and a reminder that every creation is perfect and every person is beautiful. After years of covering her lack of hair with wigs to comply with social norms, Amii proudly reveals a stunning tattoo of vines and flowers covering her entire head. Liberated by her choice, she sings "Perfectly Beautiful" on behalf of all those who may be covering a part of themselves that they feel they have to hide from society, or those who might be a little different in some way or have unique characteristics that should be celebrated and not masked, or hidden.

“When I decided, after much thought, to tattoo my head, I couldn't imagine anything other than flowers,” said Amii. “Not flowers in the literal sense, but flowers for the beginning of my new path. lively flowers that explode and bloom in an exotic jungle intertwined with my image of a lady. Amii Stewart from the 1970s and 1980s is a sweet memory. Today, I'm Amii in a contemporary version. a free spirit.”

“Perfectly Beautiful” was written collaboratively by Amii Stewart, Robert King, Skyler Mears, Mark Sucoloski, Nico Arezzo, and Giuseppe Arezzo. Additionally, her new Music Video, directed, filmed, and edited by Silvia Criscione, will premiere on April 15, 2022, on YouTube. <https://youtu.be/9TAclr6hYiE>
