

Geo Galileo: Underground Artist With A Mainstream Hustle

Los Angeles, California Apr 6, 2022 (IssueWire.com) - Geovanni, Better known as [Geo Galileo](#) is an underground recording artist from upstate New York. 2016 was the year it started it all. Geo Galileo was making a name for himself and was beginning to collaborate with celebrities. He completed songs with Lil Yachty, Rich The Kid, Jay Critch, and Famous Dex. He has even worked with an industry videographer icon. Cole Bennett, owner of Lyrical Lemonade completed his music video for his song "Credit".

Geo Galileo has a pure dedication to his craft and is consistently working. Anywhere he can record he will. Whether it's in a professional studio, on his phone, or him recording himself. The grind never stops. 2022 is all about the growth of his brand and full consistency with dropping new sounds and new projects for his fans. Working on new sounds will help him channel new vibes for his up and coming projects. Get familiar with his catalog. His name will soon be among the greats.
