Composed and interpreted by the autodidact **Sahby Mehalla**, the 6 instrumental pieces are romantic, contemplative, and textured. On cinematographic compositions like "**night love**", "**be chill**", "**sunshine arrived**",

sahby explores the different stages of love.

"I started working on these singles in March 2022, here in France. The birth of my daughter was inspirational, but it also gave me time to reflect on certain periods of my life and compose," said Sahby Mehalla.

"**desert spirit**" and "**sunshine arrived**" express the hopes and fears born of the birth of my daughter. They tell a story of love and future, of connection and the hope that something big is about to happen soon."

Born in **Algiers** and raised in **Blida**, Algerian towns, and now for 3 years Living in France, **Sahby** has spent his life exposed to an array of musical styles from Africa, Asia, and Europe. His influences range from **Western classical** and **symphonic** music and **Chabbi** (Algerian trance) to **Sufism** and the **alternative**. His previous singles released by **amuse.io** have explored various genres of world music, including **Arabic**, **Roma**, and **Persian** styles. He counts **Keith Jarrett**, **Chopin**, and **Beethoven** among his most significant musical influences.

Sahby composes and performs in a wide range of musical styles including world music, **classical**, **jazz** and **electronic**.

A multi-instrumentalist, **Sahby** plays **piano**, **guembri**, **guitar**, bass, and **flute**. his music is published everywhere where everyone can get inspired or have fun and can use compositions for their own film and video projects. His music is regularly used in the production of user-generated content on YouTube, Instagram, and TikTok.
