

Susan Harding, MD, an Orthopaedic Surgeon with Penn Orthopaedics Cape May Court House

Get to know Orthopaedic Surgeon Dr. Susan Harding, who serves patients in Cape May Court House, New Jersey & Philadelphia, Pennsylvania.

New York City, New York Apr 1, 2022 (IssueWire.com) - Board-certified and fellowship-trained orthopaedic surgeon, Dr. Harding, specializes in hand injuries and pediatric trauma. She is affiliated with Penn Medicine, offering her services at Penn Orthopaedics Cape May Court House in New Jersey.

Likewise, she is a part of the Penn Orthopaedic Trauma and Fracture program. It is the largest and most complete program in the Philadelphia region, with extensive capabilities for treating all musculoskeletal fractures, traumatic injuries, and related complications.

Prior to joining Cape Regional Physicians Associates and Cape Regional Health System, she served as the Associate Program Director, Clinical Service Chief, as well as Director of Orthopaedic Trauma within the Department of Orthopaedic Surgery at Hahnemann University Hospital.

At the start of her academic career, Dr. Harding earned her medical degree from Drexel University College of Medicine in 1991. She then went on to complete her internship in general surgery and her residency in orthopaedic surgery at Hahnemann University Hospital. This was followed by a fellowship in orthopaedic trauma at Harborview Medical Center in Seattle, Washington.

A member of the Pennsylvania Orthopaedic Society and the American Academy of Orthopaedic Surgeons, the doctor is board-certified in orthopaedic surgery by the American Board of Orthopaedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopaedic residents and surgeons, as well as evaluating the qualifications and competence of orthopaedic surgeons.

Professionally, Dr. Harding holds privileges at the Hospital of the University of Pennsylvania, Penn Presbyterian Medical Center, Pennsylvania Hospital, and Penn Musculoskeletal Center - University City, 7th Floor.

Alongside her clinical role, she serves as an Associate Professor in the Department of Orthopaedic Surgery at Drexel University College of Medicine in Philadelphia, Pennsylvania.

Orthopaedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopaedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

For her vast clinical expertise, Dr. Harding was recognized and named a “Top Doctor” by Philadelphia Magazine in 2018.
