~~~~~

Tales From The Blackford Manor is a pleasant, if not sorrowful read that begs a rumination on the meaning of life, death, and immortality, whilst leaving the reader wanting more.

**Tampa, Florida Apr 13, 2022 ([IssueWire.com](http://IssueWire.com))** - Available for immediate download/purchase from Belladonna Black new Head of the Blackford Manor Vampires©.

Tales From The Blackford Manor© is the first in the set of what will be three books telling the various stories of the Blackford Manor© Vampire members.

A poignant and sentimental tribute to fallen Coven leader, Christabel Wolf, and a brief glimpse into her extraordinary life given by her Kindred Vampires who live at the Manor.

From macabre poetry, musings on eternal life, ghost stories, paranormal romance, and heartbreak, Tales From The Blackford Manor has something for every Vampire fan.
