

Top Flite Financial - Self Employed Bank Statement Mortgage

Todd Feager (Division Manager) discusses this new program.

Richmond Heights, Missouri Apr 30, 2022 (Issuewire.com) - Top Flite Financial recently released its new Self Employed - Bank Statement Loan program.

Division Manager - Todd Feager, said:

"We are really excited to launch this new product for our loan officers and clients. Self-Employed borrowers often have challenges with income qualifying with the traditional underwriting requirements laid out by Fannie Mae, Freddie Mac, FHA, and VA.

This program will allow for our self-employed borrowers to provide anywhere from 6-24 months of bank statements as opposed to tax returns which is a big deal."

Top Flite Financial's Consumer Direct Division is licensed in 15 states currently and is known for its debt consolidation and cash-out refinance options.

This team of mortgage professionals in St. Louis, MO, and Pittsburgh, PA is run by Todd Feager and Dave Bray. The St. Louis location's sales team is managed by Devon Feager while the team in Pittsburgh is led by Robert Mcgovern.
