

Audio Jacked Is Back with His Latest Dance Pop Track ‘Can’t Stop Myself Dancing’ Spreading the Dancing Vibes

Exceptional ways of making music adapted by Audio Jacked are exceedingly attractive. ‘Can’t Stop Myself Dancing’ holds his profound narration drenched in gravitating vibes.

Southend-on-Sea, England May 12, 2022 (Issuewire.com) - A song that has meaningful lines stays longer in the mind of the listener than a song that is emotionally bankrupt. **Audio Jacked** knows how to trigger the nerve of his listeners through some evocative lines with the potential to touch the heart of the audience effortlessly. He is a writer and a producer as well, which has helped him to go on this prolific

journey. '[Can't Stop Myself Dancing](#)' is a collaborative venture with Jessie Wagner. The song has the power to compel people to come back to them over and over again. He made his debut with the song '**Won't Be Locked Down**', a well-crafted and well-performed track that won the hearts of many. With his charming ways, he is involving people in his ecstatic musical beauty.

The delightful Dance Pop artist is just one song old but he has been performing this form of art since 1990. He has been performing in various clubs and pubs, and these years of experience has seasoned him to deliver song loaded with enchanting magic. '**Can't Stop Myself Dancing**' is the second of his five-track deal with 'FunkTasy Records' and three more will come along soon enough. Daniel Puddick widely known as **Audio Jacked** dropped his latest number on the 11th of May. His companionship with Jessie Wagner in the song has made the song wildly fascinating for the audience. The uplifting vibes of the song are appropriate to the charm of the summer season.

The well-elaborated ambiance of '**Can't Stop Myself Dancing**' will have a power-packed effect on the song. And the release date is perfectly synchronized with the upcoming summer clubbing season. His dedicated musical efforts have fueled his rise and he will travel a long way with the help of his musicality. It is not possible to listen to his music and not groove along with it. Live instruments like pianos, guitars, and a funky bass have made the song more appealing. Both of his songs are available on [Spotify](#).
