

## Fernando Aviles, MD, a Family Physician with Sun City Orthopaedic and Hand Surgery Specialists

Get to know Family Physician Dr. Fernando Aviles, who serves patients in El Paso, Texas.

**New York City, New York May 18, 2022 ([Issuewire.com](https://www.issuewire.com))** - Dr. Aviles is a highly-rated, bilingual physician with over two decades of experience in family and orthopedic medicine. He works at Sun City Orthopaedic and Hand Surgery Specialists and Integrative Primary Care of El Paso (IPCEP).

He has a proven track record of providing effective care to diverse borderland patient populations and

accelerating positive patient outcomes. At Sun City Orthopaedic and Hand Surgery Specialists and at Integrative Primary Care of El Paso, he looks forward to participating in patients' care and demonstrating consistent compassion and advanced nonsurgical treatments.

The doctor's areas of specialization include non-surgical orthopedics injuries, sports medicine, children and adults urgent care injuries, occupational medicine, workers' compensation, physical therapy evaluation and referrals, pain management procedures, and diagnostic tests for upper and lower extremities such as prolotherapy/steroids, ultrasound joint injections, platelet-rich plasma injections, electromyography (EMG) and nerve conduction velocity (NCV) tests, physical exams: DOT, sports physicals, pre-op cardiac clearance, maximal medical improvement, and impairment rating evaluations (MMI/IR) for workers' compensation injuries, assessment, and Management of Hormone related issues through Pellets Therapy and osteoporosis screening and treatment.

In regards to his educational background, Dr. Aviles graduated with his medical degree from the National Autonomous University of Nicaragua in 2001. He then went on to perform his residency in orthopedic surgery at the same educational venue and completed his training in 2005, followed by his residency in family medicine and community medicine at Texas Tech University Health Sciences Center in 2010.

As a testament to his success, he is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Among Dr. Avile's professional credentials include: certified by the Texas Department of Insurance for Maximal Medical Improvement (MMI) and Impairment Rating Evaluations (2019); certified by the National Registry of Certified Medical Examiners (NRCME) - Federal Motor Carrier Safety Administration (2014); **Certified BioTe Provider** (Assessment and Management of Hormone related issues through Pellets Therapy), certified by USA Boxing Association - RingSide Physician (2010); and member of the Bone Health and Osteoporosis Foundation (2022).

Moreover, he is a member of the American Academy of Family Physicians, the Texas Medical Association, the American Association of Neuromuscular & Electrodiagnostic Medicine, and the El Paso County Medical Society.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

On a more personal note, Dr. Aviles speaks English and Spanish.
