Following his undergraduate work, he attended Louisiana State University School of Medicine in New Orleans, Louisiana. He then completed his residency in general surgery at the Mount Sinai Medical Center in Miami where he served as Chief Surgical Resident.

After completing his surgical residency, Dr. Salloum attained board certification through the American

Board of Surgery. Next, he completed his fellowship in hand surgery at the University of Virginia Medical Center in Charlottesville. Training in a rigorous and highly focused environment, he became one of the extremely small numbers of fellowship-trained reconstructive hand surgery specialists in South Florida.

Recognizing his passion for plastic surgery, Dr. Salloum completed the Plastic Surgery Program at the University of Texas at Houston. During this time, he trained extensively in cosmetic surgery and developed a unique interest in a variety of innovative procedures, including body and facial restructuring using fillers harvested from his patients' own fat.

Possessing the rare distinction of double-board certification through the American Board of Surgery and the American Board of Plastic Surgery, Dr. Salloum established the Miami Center for Plastic Surgery with the commitment to provide meticulous attention to his patient's needs to feel more beautiful and confident and ultimately lead happier lives.

A Fellow of the American College of Surgeons (FACS) and a member of the American Society of Plastic Surgeons, he is affiliated with a number of medical centers and hospitals. These include Surgical Migraine Clinic, Joe DiMaggio Children's Hospital, Memorial Hospital Miramar, Memorial Hospital Pembroke, Memorial Hospital West, Memorial Regional Hospital, Mount Sinai Medical Center, Baptist Hospital of Miami, Doctors Hospital, Homestead Hospital, South Miami Hospital, and West Kendall Baptist Hospital.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is to perform surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Among his numerous accolades, Dr. Salloum is the recipient of Compassionate Doctor Recognition (2011, 2012, 2013, 2014, 2015, 2016), Patients' Choice Award (2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018), On-Time Doctor Award (2014, 2015, 2016, 2017, 2018), and Patients' Choice 5th Anniversary Award (2015, 2016, 2017, 2018).
