Kian Barazandeh the young man with genius level of IQ , was born on February 26, 1998. in Tehran, and was raised in Dubai, UAE. His dream was to become an influential name and through perseverance, he achieved the goal.

Dubai, United Arab Emirates May 10, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Kian Barazandeh is a lifestyle influencer worth following on social media for his impeccable dressing sense. Kian is a successful entrepreneur with a kind heart to help others.

HUMBLE BEGINNING

In his journey to become a lifestyle influencer, he posted content from his day-to-day life. With striking photos, official and casual, the next-gen businessman flashed his style quotient more often and found numerous followers.

Kian's Instagram account with the name "Kian_Barazandeh" now has a fan base of over a million.

Kian added, "After getting good traction and response to my initial posts, I started to give more positive and motivational content on my social media page. This along with a photo of mine in apt attire, created positive waves," says Kian, who always attracts rave comments about his dressing sense, his unique face and flawless body.

The social media page has many photos of superb dressing which are worth imitating and admiring.

Looks tell more

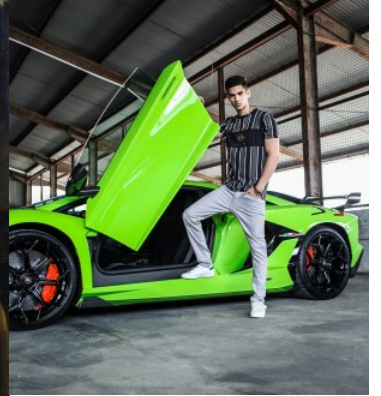

Kian Barazandeh believes that one's look tells a lot about his/her personality. "So, be cautious about your dressing choice," he points out. Kian, sometimes will be clad in formals and sometimes in casuals, always picks his dresses according to the situation. This along with a befitting narration makes his posts on social media worth viewing/following.

"I would love to be a mentor and inspire people on how to chase success. It is a wonderful feeling to share wisdom with the ones who want to get ahead in life. My posts are aimed at this philosophy so I choose the right attire. I also wanted to showcase how I project myself according to various moods and situations. All these are noticed by others which is quite evident from the comments I receive," he reveals his secret.

Works and travel

His journey as a successful multi-tasking entrepreneur also helped Kian Barazandeh to become a lifestyle influencer. His travel also helped him to mould his outlook positively.

Also, he has the experience of working in several countries as a model: Malaysia, Thailand, turkey, UAE, Philippines, Spain, and Indonesia.
