

## ProHance & UBS Forums presents the 7th Edition Shared Services Summit & Awards 2022

The event was held at the ITC Maratha, Mumbai, and saw the attendance of the brightest minds in the business

**Mumbai, Maharashtra May 9, 2022 ([Issuewire.com](http://Issuewire.com))** - ProHance recently presented an exclusive event that was held at ITC Maratha Mumbai - the “7th Edition Shared Services Summit & Awards 2022” in association with UBS Forums. It was a gathering of top minds from across the world, where all the attendees shared their insights and expertise on the best practices for achieving global success in the shared services industry.

[ProHance](http://ProHance), as the presenting partner, was integral to this dynamic and engaging conference, which provided attendees with valuable insights into navigating today's rapidly changing global landscape and staying ahead of the competition.

Through thought-provoking discussions and interactive panel sessions with some of the brightest minds in the business, attendees gained valuable insights into how to navigate today's dynamic global landscape and stay ahead of the competition.

About [ProHance](#): ProHance is a next-generation omnichannel operations management platform that helps provide visibility in operations on a real-time basis. The visibility and actionable analytics ProHance provides help operations become more lean and agile.
